Voice and Flute Studio Policies and Prices

**EFFECTIVE
December 1, 2019**

Lesson Packages and Prices:

	<u>30 minute</u>	<u>45 minute</u>	<u>60 minute</u>
Single lesson	\$30	\$45	\$60
Monthly	\$120	\$160	\$200

Policies:

1. **Monthly lesson fees are due at the first lesson of the month.** If the student will miss the first monthly lesson, lesson fees should be paid in advance or by mail. Lesson fees not paid by the third week of the month will be charged the current month's fees plus the upcoming month's fees in order for lessons to continue.
2. **Monthly tuition includes one weekly lesson of the specified length.** Missed lessons will not be carried forward to the next month. Students are expected to pay the full month's tuition, even if they will not be able to attend a scheduled lesson.
3. **Families with more than one student taking lessons** will be extended a 20% discount on the monthly tuition for the additional student(s).
4. **Lessons cancelled with less than 24 hours notice** will be forfeited and will only be made up at the instructor's discretion. No-show lessons will not be made up.
5. **Lessons cancelled by the instructor** can be made up at a time convenient to both the student and the instructor or may rarely be credited toward the next month's fees at the instructor's discretion.
6. **Weekly lessons are recommended,** but students not using the monthly option may select whatever lesson schedule they choose (weekly, biweekly or monthly) as long as that time slot remains available in the instructor's schedule and will be charged at the single lesson price.
